

# Alupaste Bitumenousaluminium

## Discussion

ALUPASTE is a heavy duty aluminised bituminous waterproofing compound. The compound is brush applied. It's extreme brilliance, allows maximum U.V and heat reflection giving increased service life to the substrate. ALUPASTE may be used directly on most roofing systems as well as weather protection on bituminous waterproofing sheeting and compounds. ALUPASTE offers excellent refurbishing qualities on existing bitumen roofing felt applications. The product is supplied in 5Lt. and 25Lt. drums and should be used within six months of the date indicated on the container. Thorough stirring is required before & during use.

## Physical Properties

Colour:	Silver
Application:	Brush, roller or spray.
Coverage:	1m <sup>2</sup> /L
Total Solids:	+/- 60%
Aromatic content:	<10%
Specific Gravity:	+/-1.2
Flash Point:	38 <sup>o</sup> c
Drying Time:	(Between Coats) Minimum 30 minutes at 25°C at 65% R.H. (Last Coat) 2-3 hours before resistant to rain.
Cleaning:	White spirits or mineral turpentine
Flammability:	Flammable when wet; observe all fire and ventilation precautions.

technical data sheet

## Surface preparation

All forms of surface contamination must be removed to ensure a smooth surface, free of any loose material, or any other barrier to adhesion. Steel and galvanised steel surfaces must be free of loose paint, grease, grime, oil and rust. Bituminous surfaces and torch on membrane surfaces must be free of dust and all loose material.

Technical assistance and applicator training are freely available to all approved users.

## Application

ALUPASTE is best applied by brush, for larger applications a soft broom can be used.

ALUPASTE must be stirred well, with a flat paddle, before and regularly during application.

Deviation from the specified instructions will automatically invalidate any claim against non performance of the product, which in all circumstances, is restricted to replacement of product proven defective.

Technical assistance and applicator training are freely available to all approved users.
